Sight words to recognize and be able to read: PRACTICE!!

This week make sure you practice spelling and reading the spelling word list.

We are working on the story, Ben Franklin. The spelling words and sight words will come from the story. Students will bring the story home on Wednesday night. On Friday, they will take a computer test on this story. It is very important to practice the stories many times. We use them in class all week. I understand they are getting harder but we are also growing toward being second graders so hang in there!

- We will go to the Book Fair on our Library day. (Wednesday for Williams: Thursday for Dees)
