- Congratulations to the 5th and 6th Cheerleaders; they won the NCATA Cheerleader competition! Ryon, Jenny, Logann, Devon, Miranda, Mollie, Morgan, Sydney, and Mackenzi. We are so proud of these girls!
- We've been so busy since school began! We've taken fall pictures, started Girl Scout meetings, celebrated Homecoming, taken the FAWN field trip and the Space and Rocket trip, and learned many new things. We have celebrated Fire Prevention week; we thank the Saragossa and Lynn Fire Depts. for sharing with us; they brought the smoke simulation trailer and it was quite an experience. The departments provided several smoke detectors that are available to homes without one; just contact the elementary office, and we'll get one to you.
- Our P.T.O. has been busy with many things. They have bought new automatic hand dryers for each of our elementary restrooms, purchased technology equipment for several classrooms, paid our entry fee for the Spelling Bee, purchases honor roll rewards, nursing supplies, purchased laminating film and paper, held a Southern Belle t-shirt sale as well as our Sally Foster fundraiser. The t-shirt sales earned about \$300.00, and Sally Foster earned \$2557.00 profit for our P.T.O.
- The PTO also funded new trophy shelving for our 4-6 hallways. Terry Wayne Cagle built and installed our shelving and the PTO purchased the commemorative plaques on each. Now we have a great place to showcase our many awards.
- The 3rd grade thanks Terri Lynn Cagle for her hard work on our Homecoming 3rd grade t-shirts. We are the largest class at LES, so it took a lot of shirts and a lot of work. We won the spirit stick at Homecoming!
- Thank you to Mrs. Cynthia Tittle; she submitted a grant to Wal-Mart for funding to purchase decorative plants and fencing at the main entrance of the K-3 building. We are looking forward to hearing the results of whether or not we will be awarded this grant. Thank you Mrs. Tittle!
- Our new lunchroom is up and coming. Thank you for working with us on the traffic through all of the construction.
- Mrs. Linley, kindergarten teacher and her husband Lancy are expecting their second child this spring. Big brother, John Thomas is excited!
- We are using a new reading program in grades kindergarten through sixth grade; we are working very hard to learn the new program and make sure it benefits our students. Thank you parents for working with us in reading!
- Lynn Elementary will be going through a health audit very soon and we must make sure your student has a current immunization "blue slip." If you have questions about this, please contact our school nurse, Ms. Belinda Cagle at 893-5702. She will be glad to assist you.
- The week of October 20 is School Bus Safety Week. We salute our super safe bus drivers for the great job they do. Dianne Dodd, Sophia Bridgmon, Ken Ingle, Candice Tittle, Gwen Cornelius (she's not been able to drive thus far, but we are wishing her a speedy recovery), Bobbie Barton, Bryan Pendley, and Mike Lynn.
- Our Harvest Festival will be Thursday, October 30. There will be more information coming about this. Thank you in advance for your help.
- The lunchroom will be celebrating two days of trick or treat on October 30 and 31. Parents are welcome to come each day and check out the surprises. Parents are encouraged to wear their costume with their children on October 30.
- We are busy planning our big Christmas program. Can you believe the holidays will be here soon!!!
