

KINDERGARTEN SUPPLY LIST

1. Rest Mat-Foldable mat and cloth cover with Velcro closure or foldable cloth mat
2. Scissors (Fiskar)-Please purchase the Fiskar brand; they last better than other brands. They are quite sharp, so be careful if you open them at home. We will teach the children scissor safety before we use them. (Walmart should have these scissors.) Please do not buy plastic Fiskars; they do not cut well. Look for the Fiskars that have a metal cutting surface with plastic handles.
