

## Kindergarten Supply List

1. Rest Mat-Foldable plastic mat. Please purchase the thin version not the thick one. We do not have room for the thicker ones on our shelves.
2. Scissors-Fiskars-Please purchase the Fiskars brand, they last better than other brands. They are quite sharp, so be careful if you open them at home. We will teach the children scissor safety before we use them. (Walmart should have these scissors.) Please do not buy plastic Fiskars; they do not cut as well. Look for the Fiskars that have a metal cutting surface with plastic handles.
