Mission Statement**

The mission of Meek High School is to provide a quality education for all students that encourages intellectual, social, emotional and moral growth, enabling them to lead satisfying and productive lives in an increasingly complex and diverse society.

Beliefs

1. Student learning is the chief priority for our school; therefore, students' learning needs should be the primary focus for all decisions impacting the work of the school.
2. Each student is a valued individual with unique physical, social, emotional, and intellectual needs; therefore, instructional practices should incorporate a variety of learning activities to accommodate differences in learning styles.
3. A fair, safe, and physically comfortable environment promotes student learning.
4. The responsibility for advancing the school's mission must be shared by the teachers, administrators, parents, and community.
