

CACFP AFTERSCHOOL INFO

Starting Monday, **August 8, 2022** we start our After School Meal program. When the bell rings at 3:00 students may come to the Cafeteria and get a meal each day. We will serve until 3:30 and students may leave the cafeteria but must stay on campus with meal. These meals will be free of charge to any child age 1-18 and from any school.

If you have a big group staying after school please give me a heads up so we will be prepared for them. You may also send a list so I can add names to the roster. This is not a requirement, it will just help with larger groups.
