## **Attendance – (Alabama Attendance Law)**

Every child between the ages of six and 17 years shall be required to attend a public school, private school, church school, or be instructed by a competent private tutor. Admission to public school shall be on an individual basis on the application of the parents, legal custodian, or guardian of the child to the local board of education at the beginning of each school year, under such rules and regulations as the board may prescribe. The parent, legal custodian, or guardian of a child who is six years of age, may opt-out of enrolling their child in school at the age of six years by notifying the local school board of education, in writing that the child will not be enrolled in school until he or she is seven years of age. Authority: Ala. Code §16-28-1, §16-28-3 and §16-28-7(1975) as amended by Alabama Act No: 2014-245

## **Philosophy of Student Attendance**

The Winston County Board of Education believes good student attendance enhances learning. When a student is not in school, he/she misses valuable instructional time. For this reason, the Board equates attendance with academic achievement and establishes policies and procedures designed to encourage and require students to be in school.

## **Compulsory Attendance for All Students**

Every child between the ages of six (6) and seventeen (17) shall be required to attend school. Any student enrolled in the Winston County School System is required to be in school each day, regardless of the student's age. All students enrolled in the Winston County School System are subject to the regulations of this policy.

## **Absence from School (Code of Alabama (1975) § 16-28-15)**

Every parent or custodian of any child required to attend school, shall, within two school days, explain the cause of any absence of the child. Failure to furnish an explanation shall be admissible as evidence of the child being truant. A good cause or valid excuse explanation is outlined below:

## **Excused Absence**

*A student shall be excused for absence from school for the following reasons:*

1. A student is too ill to attend school;
2. Inclement weather that would be dangerous for students to attend school as determined by the Superintendent of Schools or principal;
3. Legal requirements or legal quarantine;
4. Death in the immediate family;
5. Emergency conditions as determined by the Superintendent of Schools or principal;
6. The absence with the prior permission of the principal or a designee and consent of parent/guardian.

*Forms of excused absences include as follows:*

### **PE – Parent Excuse**

A maximum of seven (7) daily absences for the school year shall be coded as an excused absence when a valid excuse is provided by the parent or custodian.

In accordance with State Law, a parent or guardian must explain the cause of every absence of students under his/her control or charge. Every student, upon return to school, must bring a verifiable written excuse from home signed by the student's parent or guardian for each absence and present it to the principal or designee. The written excuse should be presented to the principal or designee on the day the student returns to school, but no later than two (2) days after his/her return or the absence(s) will be recorded as unexcused. The principal or designee shall ensure that the student's teacher(s) are notified whether the absence is excused or unexcused. All written excuses shall be retained for the remainder of the school year in the principal's office or other approved locations.

## **DE - Doctor Excuse**

Doctor, dental, or other medical excuses for the child.

## **RO -Religious Observance**

Observance of religious practice or holiday.

(A student will be excused for religious holidays when the student’s parent or guardian comes in person to the school and signs a request for the student to be absent for this purpose. When this procedure is followed, the student’s absences will be excused and shall not be counted toward the excessive absence clause of this policy. Students shall be allowed to make up work missed during such absences.)

## **X – Emergency School Closure**

Inclement weather or other which would be dangerous to the life and health of the student as determined by the superintendent or designee.

## **LG - Legal**

Required court appearance as ordered by a subpoena or other court documents.

## **AA - Administrator Approved**

Prior permission of the principal upon request of the parent or custodian.

## **COVID**

Legal quarantine due to positive diagnosis or exposure – Medical documentation required by medical professional.

*Forms of unexcused absences include as follows:*

Unexcused Absence

## **Unexcused Absence**

### **UA – Unexcused Absence**

Absences for reasons other than those defined above shall be considered unexcused.

Any absence for which a valid written explanation is not provided within two (2) school days shall be coded as unexcused. Any absence beyond the seventh for any student shall be unexcused unless the written explanation meets an excused absence category. Any student having an unexcused absence will be considered truant as defined by the Alabama Administrative Code, Chapter 290-3-1-.02(7) (c).

## **Administrator Approved (AA) Absence Guidelines**

All requests must be submitted to the Principal on the approved request form prior to the date of the requested absence.

The following reasons may be coded using (AA):

1. Military circumstances related to the deployment or return of a parent/custodian
2. Accompany parent/custodian on an overnight school trip that involves a sibling (i.e. cheer competition, band trip, etc.)
3. Visit college/university campus (Limit of 2); however, a third visit may be approved for an exceptional circumstance (i.e. athletic scholarship, academic scholarship, etc.)
4. Obtaining a driver’s permit or license

5. Legislative Page or another opportunity to participate in an operation of one of the three branches of government
6. A parent or sibling graduation from college or a military ceremony
7. Military Entrance Processing Station (MEPS) scheduled by the recruiter
8. Religious Holidays with supporting documentation
9. If the bus fails to run or pick the child up and the parent has no means of transportation (must verify with bus driver or transportation department)
10. Catastrophic event (fire, flood (not weather-related), eviction) that results in loss of housing or a temporary change of housing
11. Extenuating Safety Threat
12. Any absence not identified in the above list should be decided on a consistent case-by-case basis by the Principal.

### **Tardiness to School**

Students, who consistently arrive late to school, may be referred to the local school Principal and, if necessary, District Attendance Staff to assist with a plan designed to ensure the student arrives on time, which may include a meeting with the parent, student, principal and attendance staff and use of the district's bus transportation system. A district social worker may conduct a home visit to assist families who are consistently tardy to school.

### **Instructional Expectations**

To properly carry out its belief that attendance equates with academic achievement, the Board expects the following:

1. Principals and teachers will mutually plan and ensure that each student receives instruction each day, each period, and in every subject.
2. Every student in attendance in school will receive academic credit for each period and each class of every instructional day by one or more of the following methods as determined by the teacher:
  - a. Completing and handing in homework or class work
  - b. Taking a daily assessment, for which the student will receive a grade and/or feedback based on the result of the assessment
  - c. Participating in-class discussion, class work, and/or other participation as determined by the teacher

### **Make-up of Work, Tests, and Other Assignments**

Grades should reflect a student's academic performance. To the best of their ability, students are expected to complete all work, tests, and other assignments given by their teachers. Students are expected to attend school on a daily basis, but the Board recognizes there may be times when a student may be absent from school. The following options are available for teachers, students, and their parents to ensure education is uninterrupted due to an absence.

#### *Excused Absences*

Students are permitted to complete work, tests, and other assignments when absences are for excused reasons. Said student shall contact the teacher or teachers and complete all makeup work within 3 days of absence. Teachers shall not be required to reteach lessons, but students shall be given a reasonable opportunity to learn the lessons missed due to excused absences. Students may only receive academic credit on days on which absences are marked as excused.

In cases of extreme or extenuating circumstances based on the nature of the absence, the teacher(s) may grant additional days to complete and return assignments or take tests.

### *Unexcused Absences*

Winston County Schools may provide make-up work or examinations for students absent for unexcused reasons; however, students may not receive full academic credit for late or missed assignments.

### **Absences Due to Out of School Suspension**

Out-of-school suspensions are deemed unexcused absences and will directly impact a student's truancy.

### **Checking Students Out of School**

The parent/legal guardian will be allowed to check a student out of school unless the parent/legal guardian has specifically designated someone else to check the student out of school. School officials will keep accurate records as to whom, what time, and for what reason students are checked out of school.

Check-ins/check-outs shall be considered unexcused absences from class periods missed unless evidence is presented to the principal or designee by the parent or guardian that the check-in/check-out was for an excused reason. Students must check-in/check-out through the school office in compliance with the policy.

### **Away from School Due to School-Sponsored/Authorized Activities**

Students who participate in school-sponsored or school-authorized activities and are thereby away from school or class will not be counted as absent from school for this purpose. Students are expected to make up work missed while at these activities and should be given the same opportunities as those afforded to students with excused absences. Absences due to these activities should be indicated with proper coding to indicate the absence was due to such activities. The school may require appropriate documentation to support any absence coded in this category. Failure to provide the requested documentation may result in an unexcused absence.

### **Student-Athlete Attendance**

Students who are absent from school for an excused or unexcused reason shall not participate in any school extracurricular or co-curricular activities that day (athletic contests, cheerleading, scholars' bowl, etc.) except in extenuating circumstances as determined by the principal.

### **Truancy**

If a parent/legal guardian does not explain in writing within two (2) days of a student's return to school after being absent, that student will be classified as truant for each and every absence. The student will also be classified as truant if the Principal (or administrative designee) determines that an absence(s) is unexcused based on the parent/custodian's written explanation.

The Code of Alabama requires schools to notify parents of their student's unexcused absences to inform parents of Alabama's compulsory school attendance laws and be advised of the penalties that can be applied if the student continues to be truant from school. It is advised that schools notify parents after the student's first unexcused absence from school. Please understand that the Early Warning Notice is intended to correct any error and/or to remind parents of Alabama's Compulsory Education Law. Upon the accumulation of an unexcused absence, the student is considered truant from school, and consequently in violation of state law and the Board's attendance policy.

State law requires that parents ensure their child has good attendance in school and further states that failure to do so could lead to prosecution of the parents and/or child for failure to comply with the law. School officials are required to report to juvenile authorities those students and parents who are in violation of the law. It is at five unexcused absences that a student is considered seriously truant.

The following guidelines will be used and steps will be taken to handle truancy by students of Winston County:

-----

1. BEGINNING OF SCHOOL YEAR: Each student will receive a student handbook outlining the Winston County Truancy Policy. Parents/guardians are required to read the handbook, sign an acknowledgment statement, and return the statement to the student's school.
2. Upon the first unexcused absence, a warning will be issued as follows:
  - a. The parent/custodian will be notified by the Principal (or designee) that the student is truant and the date(s) of truancy via School Messenger, phone call, or letter.
3. Upon the third (3rd) unexcused absence, the county truancy officer will contact the parent/custodian via 1st class mail to notify the parent/legal guardian of the impending truancy issues of their student.
4. Upon the fifth (5th) unexcused absence, the parent, custodian, or person having control of the child, shall do the following:
  - a. Receive a Notice of Violation of the Compulsory Attendance Law from the District Attendance Office outlining the student's unexcused absences for the school year.
  - b. Attend a meeting at the Winston Truancy Office to discuss attendance violations.
  - c. If possible, participate in a home visit conducted by a district social worker to discuss attendance requirements.
5. Upon the seventh (7th) unexcused absence, the parent, custodian, or person having control of the child, shall do the following:
  - a. Receive a Notice of Violation of the Compulsory Attendance Law from the District Attendance Office notifying the parent that a complaint/petition is being filed with the Court against the parent/custodian, under Code of Alabama (1975), 16-28-12(c) (failure to cooperate), for truancy against the child.
  - b. Attend a scheduled court date.
6. Upon the eighth (8th) and following unexcused absences, the Attendance Officer will send a Notice of Violation of the Compulsory Attendance Law from the District Attendance Office notifying the parent that a complaint/petition is being filed with the Court against the parent/custodian, under Code of Alabama (1975), 16-28-12(c) (failure to cooperate), for truancy against the child.

### **Virtual Academy Attendance Requirements**

Students attending the WCS Virtual School must meet the following attendance criteria:

1. Students must adhere to the Winston County Schools Attendance Policy
2. Students must attend class each day (as monitored by the virtual school staff) and keep up with course assignments/pace
3. Log in to courseware daily to document attendance

The school system reserves the right to set specific attendance requirements for each virtual course. The superintendent or his/her designee is authorized to develop alternate attendance policies for virtual courses, provided that students in such programs are given notice of the attendance requirements. A student's failure to comply with such requirements may result in administrative action including, but not limited to, probation and/or a charge of truancy.

### **Perfect Attendance Award**

A Perfect Attendance Certificate shall be awarded to students who have attended school every day during the school year, i.e., no tardies, no check-outs, etc.

## **Nine-Week / Semester Exam**

Winston County Schools will require a nine-week exam in each subject for the 1st and 3rd nine weeks in grades 7-12. All students will take the respective exam, **which will be 10% of the nine-week grade**, for their classes.

Furthermore, WCS will require comprehensive semester exams in each subject in grades 7-12 to be given at the end of each semester; however, students may exempt the exam should they meet the requirements as follows:

1. No unexcused absences.
2. No office discipline referrals.
3. Maintain the following average and no more than the number of excused absences for each:
  - a. "A" average and 5 excused absences
  - b. "B" average and 4 excused absences
  - c. "C" average and 3 excused absences
  - d. "D" average and 0 absences

The semester exam will be 20% of the semester average.

Advanced Placement classes, Dual Enrollment Courses, and ACCESS classes may not use the specified guidelines detailed above. AP, dual enrollment, and ACCESS grading expectations (as set by the College Board, each community college and/or university, ACCESS Learning, etc.) will supersede this requirement.

## **STUDENT CONDUCT**

All students of the School District are charged with the responsibility to conduct themselves in a manner appropriate to good citizenship everywhere. Student conduct shall be founded on the basic concept of respect and consideration for the rights of others.

All policies and rules and regulations in this manual shall be applicable to students while under the jurisdiction of the School District including all school facilities, buses, and rented/leased facilities to accommodate School District activities. Further, Board policy and rules and regulations of the administration shall be applicable to students while attending activities/contests/games sponsored by the School District.

## **PARENT'S RESPONSIBILITY FOR CHILD'S CONDUCT**

The Board hereby advises parents/guardians of their responsibility for the conduct of their child(ren) based on Legislative Act No. 93-672 that amends Section 16-28-12 of The Code of Alabama. **The Act has important implications for parents/guardians and students of the School District. Applicable sections of The Code of Alabama now read as follows:**

**Section I—Title 16, The Code of Alabama, 1975, is amended to read as follows:**

**"(A)** Each parent, guardian, or other person having control or custody of any child required to attend school or receive regular instruction by a private tutor who fails to have the child enrolled in school or who fails to send the child to school, or to have him or her instructed by a private tutor during the time the child is required to attend a public school, private school, denominational school, or parochial school or be instructed by a private tutor, or fails to require the child to regularly attend the school or tutor, or fails to compel the child to properly conduct himself or herself as a pupil in accordance with a written policy on school behavior adopted by the local board of education and documented by the appropriate school official which conduct may result in the suspension of the pupil, shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than one hundred dollars (\$100) and may also be sentenced to hard labor for the county for not more than 90 days. The absence of a child without the consent of the principal teacher of the school he or she attends or should attend, or the tutor who instructs or should instruct the child, shall be prima facie evidence of the violation of this section.

**\*(B)** Any parent, guardian, or other person having control or custody of any child enrolled in public school who fails to require the child to regularly attend the school or tutor, or fails to compel to properly conduct himself or herself as a pupil in accordance with a written policy on school behavior adopted by the local board of education and documented by the appropriate school official which conduct may result in the suspension of the pupil, shall be reported by the principal to the Superintendent of Education of the School District in which the suspected violation occurred. The Superintendent of Schools or designee shall report such suspected violations to the district attorney within 10 days. Any principal or Superintendent of Education or his or her designee intentionally failing to report such a suspected violation shall be guilty of a Class C misdemeanor. The district attorney shall vigorously enforce this section to ensure proper conduct and required attendance by any child enrolled in the public schools.”

**In an effort to implement and communicate the basic principles of the Act, the Board endorses the following operational procedures:**

1. Parents/guardians and students shall be informed of the intent of Act 93-672 and Title 16-28-12 of The Code of Alabama through the printing of the basic principles in student handbooks and/or in school newsletters. Such information should be communicated at the beginning of each school year. The basic principles are as follows:
  - a. Parents/guardians must enroll their children (i.e. all children between the ages of 7 and 16 shall be required to attend school).
  - b. Parents/guardians are responsible for the regular attendance of their children.
  - c. Parents/guardians are to compel their children to properly conduct himself/herself in accordance with the policies of the Board related to student behavior.
  - d. Parents/guardians should be informed that inappropriate conduct or behavior on the part of their child(ren) may result in suspension from school and such suspensions will be reported to the Superintendent of Schools and District Attorney by school administrators.
  - e. Parents/guardians will be subject to prosecution by the District Attorney’s Office on the first or second suspension if, in the opinion of the principal, the offense committed by child warrants such action.
2. School principals and/or the Superintendent of Schools are responsible for reporting violations of this Act to the District Attorney’s Office. School principals and/or the Superintendent of Schools are hereby informed that the intentional failing to report a suspected violation of this Act could result in being declared guilty of a Class C misdemeanor. Such reports shall be made on the School District’s Notification of Suspension Form filed JCDA-R.

### **PARENT’S RESPONSIBILITY FOR DAMAGE TO SCHOOL PROPERTY**

In accordance with Legislative Act 94-819, parents are liable for damage to school property caused by their child(ren).

### **USE OF CARS ON CAMPUS**

Any student who drives to school must show proof of a driver’s license and liability insurance. They must also purchase a parking permit from the office. This parking permit **MUST BE VISIBLE** on the car at all times it is on campus. Students **MAY NOT** sit in their cars on campus and **MAY NOT MOVE THEM WITHOUT PERMISSION**. Students are to leave their car immediately and are not allowed to return to their car without permission from an administrator.

## **Students Leaving School Campus**

A student is not permitted to leave the school campus during regular school hours except in accordance with the provisions that follow:

1. A student's parent or guardian may come to the school in person and check his/ her child out of school. A guardian or someone specifically designated by the student's parent/guardian may check a student out of school.
  2. In emergency situations, the school principal or designee may permit a student to leave the school campus based upon a telephone request from the student's parent or guardian. In such instances, the principal or designee shall attempt to contact the student's parent by telephone to confirm the request.
- Any student violating this policy shall be subject to disciplinary action by the local school principal.

## **NO-FIGHT POLICY**

The Board is obligated to provide a safe and orderly environment that is conducive to teaching and learning; therefore, it is the policy of this school system that **fighting** in school buildings, on school grounds, at any school-sponsored event, or on a school-owned/maintained vehicle **will not be tolerated**. A fight is defined as any conduct falling within the Alabama statutes defining assault, menacing and reckless endangerment, or criminal coercion. **Refer to Title 13A of The Code of Alabama 1975.**

The Superintendent of Schools, working cooperatively with the local police, sheriff, the district attorney, and the juvenile court, shall enforce this “**no-fight**” policy at all middle/junior high schools and senior schools within the system.

## **The procedures outlined below shall be followed:**

1. **Fighting in a school building, on school grounds, at any school sponsored event, or on a school-owned/maintained vehicle shall be classified as a major violation of the code of student conduct.**
2. **The principal or designee shall investigate the fight and take the appropriate action as identified in the code of student conduct.**
3. **The principal or designee shall secure the cooperation of witnesses to the fight and secure written statements from all witnesses.**
4. **The principal or designee shall secure reliable witnesses for court appearances.**
5. **The principal or designee shall call the police and file a complaint/petition with the juvenile court.**
6. **A reasonable attempt shall be made to notify the parent(s) or guardian(s) if the student is to be removed from the school by police officers.**

All students and parents/guardians of students within the system and system employees shall receive sufficient and ample notice of the passage of this policy. This policy shall be outlined in the code of student conduct and shall be communicated to all students on the first day of school and at intervals throughout the school year. In addition, this policy shall be discussed at meetings involving parents/guardians.

NO STUDENT should be allowed to enter the school building, and or facilities, prior to 7:30 am on scheduled school days. Students who arrive prior to 7:30 am will remain on the bus or in their car until this time.

Due to the necessity of having to supervise students closely and the fact that teachers and other school personnel have many responsibilities before and after the regular school day, parents/guardians must assume the responsibility for bringing their children to school at reasonable times and picking up their children promptly after the school day ends.

In situations where parents/guardians do not abide by the school arrival and departure schedule or fail to bring and pick up their children within the specified time frame appropriate actions will be taken.

## **TRANSPORTATION**

Students riding buses are under school jurisdiction from the time they get on the bus in the morning until they get off the bus in the afternoon. We expect students to comply with the rules and regulations governing public carriers and to conduct themselves in an orderly fashion. The principal may exclude a pupil from the bus for disciplinary reasons, and his/her parents shall provide transportation to and from school during the period of such exclusion. Students are subject to disciplinary measures at designated bus stops.

**In addition to the applicability of the School District's Student Code of Conduct and local school rules and regulations on student conduct, the following regulations shall apply to all students riding School District-owned buses/vehicles:**

1. Students are subject to the driver's authority while riding the bus.
2. Students shall not ride school buses on trips other than regular routes without written permission and authorization by parent(s) or guardian(s).
3. Students shall be required to get on and off buses at stops approved for them and at no other stops without the written approval of the principal or designee.
4. Students should observe classroom conduct (except for ordinary conversation) at all times when getting on, off, or riding the bus and shall be subject to all school rules and regulations.

Students should adhere to the following rules when boarding and riding school buses:

1. Be on time at the designated pickup sites. (SDE recommends 5 min before)
2. Stay off public roads while waiting for the bus.
3. Wait for the bus to stop before attempting to board.
4. Keep all body parts inside the bus at all times.
5. Assist in keeping the bus safe and clean.
6. Refrain from loud talking or behavior that may divert the driver's attention. Profane, indecent, or abusive language will not be permitted.
7. Refrain from damaging the bus (pay for any damage to seats, windows, etc.).
8. Do not bring bottles, cans, food, balloons, etc. onto the bus.
9. Do not leave books, lunches, etc. on buses.
10. Keep aisles of the bus unobstructed at all times.
11. Help with the comfort and safety of smaller students.

13. Remain in your seat while the bus is in motion.
14. Remain quiet when the bus is approaching a railroad crossing stop.

15. In case of an emergency, remain in the bus or follow the driver's instructions.

All drivers are to report discipline problems to the principal (or his/her designee) of the school where the student is enrolled. The procedure for handling discipline problems is as follows:

1. The driver should warn students about their discipline and how it relates to school bus safety. This should not be done in front of other students.
2. If the student's behavior continues to be disruptive, bus drivers should contact the student's parent.
3. If the problem persists, the bus drivers should turn in the student to the principal or his/her designee and complete a "School Bus Disciplinary Report."
4. Stopping or pulling the bus off the road while on a regular route should only be done when all other alternatives fail.
5. Never take a bus back to school for discipline problems unless it is an extreme emergency and safety on the bus is jeopardized.

The Charles (Chuck) Poland, Jr. Alabama Act 2013-347 – Trespass on a School Bus makes it a Class "A" misdemeanor to trespass on a school bus. Such offences include a punishment of up to a year in jail.

opt-in granting permission for the student to participate or (2) there is an imminent threat to the health of the student or others.

For purposes of this policy, “mental health services” includes services, treatment, surveys, or assessments relating to mental health; however, it does not include instructional activities designed to educate students regarding topics related to mental health (1) contained in the school system’s approved curriculum or (2) otherwise required to be taught by law (e.g., Erin’s Law; Jason Flatt Act).

This policy is not applicable to any school counseling services or “mental health services” contained in a student’s PST, IEP, or §504 plan. ### **Jamari Williams**

It is required by Act #2018-472 that the bullying complaint form located on the Winston12.org website under Parents and Families be submitted by the affected student, or the parent of guardian of the affected student, and not by an education employee on behalf of an affected student or his or her parent or guardian.

The affected student, or the parent or guardian of the affected student, must submit this form to the school’s principal or his/her designee in person or by United States postal mail. The principal/designee is responsible for the investigation. Incomplete forms will not be considered for investigation.

Anonymous reports will not be the basis for imposing disciplinary action against a student. Reprisal or retaliation against any person who reports an act of intimidation, violence, threat of violence, or bullying, is prohibited and appropriate remedial action will be taken against a person who engages in such reprisal or retaliation.

### **Gifted Program**

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student’s abilities may refer a student for gifted evaluation. Additionally, all second-grade students will be observed as potential gifted referrals using a gifted behavior checklist. For each student referred, information is gathered in the areas of aptitude, characteristics, and performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral, contact the gifted teacher at your child’s school.

### **Valedictorian/Salutatorian Requirements**

The Valedictorian and Salutatorian for the graduating class of each high school must qualify for the most advanced academic diploma offered. The student with the second highest numerical unweighted grade average shall be the class Salutatorian.

Grades earned in credit bearing classes from the first term 8th grade through the 1st semester of 12th grade in core classes will be used in calculations. The grade point average (GPA) is calculated by dividing the total amount of grade points earned by the total amount of credit attempted. The candidates must have been enrolled at the local high school for 3 semesters and complete course work at the school site.

To be eligible for the honors endorsement, the student must earn credits from the highest-level classes offered on campus.

Graduates with Distinction--A student that is seeking an Alabama High School Diploma may graduate with distinction if the student has an unweighted grade point average of 93 to 100. Based on the unweighted numeric GPA for earned credit core courses taken will be calculated at the end of the first semester of the senior year for the following recognition:

## **ASBESTOS UPDATE**

This is a yearly update on the asbestos management program in the Winston County Schools. In April of 1988, a thorough study of all school buildings was conducted by a certified asbestos inspecting company, ATEC, to identify any asbestos containing materials in our schools. A re-inspection is conducted every three years by a professional engineering company. The latest re-inspection was completed by ERG Environmental, Inc.

The management plan is available in the Principal's office and describes the steps taken to prevent asbestos fibers from being released.

The fact that these materials have been identified is no cause for alarm. These materials, such as floor tile, are perfectly safe as long as they are maintained. Most, if not all, floor tile has been removed or encapsulated. Any materials that could release fibers in normal everyday use have been removed.

If you need further information concerning asbestos in your school, you may contact the school principal or the Winston County Board of Education at 205-489-5018.
