2019-20 ACIP
Meek High School

Vision
Meek High School: Empowering Students, Creating Leaders, Transforming Lives

Mission
Meek High School will prepare students for success through by effective instruction and meaningful experiences.

Beliefs
The following beliefs form the core of our values: TIGERS—Transform, Involve, Grow, Empower, Respond, Succeed. These beliefs provide a strong foundation for an effective learning environment, thereby enabling students to take personal responsibility for their educational goals.

Positive Culture
Objectives
- We will improve our school’s climate and culture through positive and motivational activities.

Effective Instruction
Objectives
- Provide effective instruction to students through maximizing the curriculum and measuring growth.

Current Technologies
Objectives
- Seek out technologies to maximize instruction, communication, and planning for success.

Objectives,
Positive Culture
Critical Initiatives
- Provide professional development activities and training for faculty and staff to strengthen collegiality and explore ways to do the same for our students.

Critical Initiatives
- Initiate recognition and incentive programs (i.e. student or teacher of the week/month program) to recognize excellence among our student body and staff.

Critical Initiatives
- Hold Tiger LEAD meetings so that all students are connected with at least one faculty member who will guide students in areas such as emotional growth, school success strategies, and behavioral needs.

Key Measures
- Student, parent, and teacher surveys

Key Measures
- Teacher and student survey data

Key Measures
- Student assessment data
