PURPOSE

The purpose of the Agri-Science Department at Meek High School is to provide students with opportunities to acquire skills, knowledge, and experiences required to further their career in Agriculture and Agricultural Construction. Classroom instruction and laboratory experiences allow students to gain scientific knowledge and hands-on-experiences that will develop them into successful community leaders.

Credentials Offered

- Urban Forestry
- Landscape Management

The Winston County Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

The following person has been designated to handle inquiries regarding the non-discrimination policies:

Mr. Shandy Porter (Title IX)
Federal Programs Director
PO Box 9, Double Springs, AL 35553
205-489-5018, ext. 6714
