2. **Hearing Screening**  
   - P____ F____ Follow-up____

2. Definition. Multiple Disabilities means concomitant impairments (such as intellectual disability-blindness, or intellectual disability-orthopedic impairment), the combination of which causes such severe educational needs that they cannot be accommodated in special education programs solely for one of the impairments. Multiple disabilities does not include deaf-blindness.

3. Criteria. The child must meet all eligibility criteria for two or more areas of disabilities:

   - Disability Area _________________
   - Disability Area _________________

   Attach at least two disability area checklists.

   Evaluations required. Refer to minimum evaluative components required under each area of disability. Eligibility criteria for the two or more areas of disability must be documented on the eligibility report.
